

Please do not change New Jersey's Do Not Call law. This list has enabled me to be with my family without being interrupted by obnoxious telemarketing people. It is nice to be able to pick up the phone and talk to people you want to. I've had a drop in telemarketing calls by about 98%. Since I pay for my own phone I should be able to choose who I want to speak with. You should be strengthening the Federal Law to match New Jersey's, not giving into telemarketers to allow this annoying sales calls. Please do not change the Do Not Call Law or weaken it in any way. Thank you.
